PROFESSIONAL EXPERIENCE

MRI Software

Atlanta, Georgia

Product Development/Software Engineering Intern

May 2022 – November 2022

- Utilized C#, HTML, the Aurelia Javascript framework, and Microsoft SQL Server Management Studio, I built an online forum where clients could post and talk about their ideas for new features and products that our company could implement.
- Participated in daily stand-up meetings with other software developers on my team, as well as with other development teams and even company executives.

Veranda

Atlanta, Georgia

Bartender/Marketing Specialist

March 2022 – Current

- Employee of the Month (August 2022)
- Open and close the bar in a timely and responsible manner.
- Gain regular customers by serving a plethora of different beverages in a prompt and friendly way.
- Generate thousands of dollars nightly in revenue for the bar by serving customers.
- Market our bar on several social media platforms and keep in regular contact with other promoters in the area to generate excitement around our establishments and the events we put on.

Phil Hughes Honda

Athens, Georgia

Automotive Technician

May 2020 – August 2020

- Troubleshoot and diagnosed faults with vehicle systems and components using OEM-specific code readers, diagnostic trees and online knowledge bases.

ACCOMPLISHMENTS

Eagle Scout

Watkinsville, Georgia

Boy Scouts of America

September 2018

- Spent seven years as a member of the Boy Scouts of America culminating in achieving the coveted rank of Eagle Scout.
- Eagle Scout Service Project: Designed, planned and oversaw the building of bat houses for Sandy Creek Nature Center in Athens, Georgia. I completed this project with a team of Boy Scouts whom I taught to assemble and hang the houses I designed.
- Life Scout Service Project: Planned and participated in a day of service for a local homeless shelter. I led a team of Boy Scouts whom I organized to help me make and deliver meals.
- Star Scout Service Project: Planned and executed a flower box project for Oconee County Elementary School. I designed, built and assembled the boxes alongside a team of Boy Scouts.
